

Promotional Marketing Brochures for Structured Products

Your Trusted Partner for Regulatory Excellence and Marketing Brochures

A fresh take on risk and valuation

Save time navigating AMF regulations and ensure seamless compliance with clear, tailored and fully automated commercial brochures for structured products.

QUICK AND EFFICIENT DELIVERY

AMF-COMPLIANT TAILORED NARRATIVE & DESIGN AND DISTRIBUTOR-SPECIFIC BRANDING

MULTILINGUAL SUPPORT IN DIFFERENT FORMATS

Creating promotional communications for structured products requires strict compliance with AMF regulations, which can be both complex and time consuming.

Finalyse offers an end-to-end solution to streamline this process. From automated data extraction, machine learning based algorithms and customisation to full AMF compliance, we deliver marketing materials that are clear, accurate and ready for regulatory compliance.

With our expertise, you can focus on your core business while we ensure your communications meet the highest standards of transparency and compliance.

Benefits

- End-to-end compliance: Ensure promotional materials are fully compliant with AMF and MiFID II regulations.
- Customised solutions: Tailor content, design and branding to your specific needs.
- Streamlined processes: Automated workflows save time and minimise errors.
- Enhanced Trust: Deliver clear, balanced communications that build investor confidence.
- Time Savings: Focus on your business while we take care of your operational marketing tasks.

Why Finalyse solution?

- Regulatory Changes: Evolving AMF regulations require financial institutions to provide clear, accurate, and compliant promotional materials.
- Complex Products: Increasingly intricate structured products demand precise and transparent communication.
- Client Demand: Issuers seek tailored, high-quality materials to meet distributor needs while staying compliant.
- Efficiency Gaps: Traditional manual processes are inefficient and error-prone, requiring streamlined, automated solutions.
